Uninsured/Underinsured Motorist Coverage

We included the minimum statutory uninsured/underinsured motorist ("UM/UIM") coverage required in this collector vehicle premium quotation. Some states require you to have this coverage on your vehicle insurance policy with limits up to your liability limits. Generally, the UM/UIM coverage on your primary vehicle insurance policy covers you and all members of your family that reside in your household with you. This coverage applies whether you are in your vehicle or not as long as the motorist that caused your injuries was uninsured or underinsured. For example, if you were a passenger in someone else's vehicle that is hit by an uninsured driver, your uninsured motorist coverage on your primary vehicle insurance policy would apply. Please review and sign the enclosed Selection/Rejection Form indicating you agree to the included coverage. Higher limits are available subject to underwriting and an additional premium.

Taxes, Surcharges and Fees Notice

Note: the above premium quotation may not account for all taxes, surcharges, and/or fees mandated by the state or municipality in which you reside. The final policy will include a description of how taxes, surcharges, and fees, if applicable, have been allocated as determined by the risk location. Please contact a Grundy representative if you have any questions.
